

## Donate Vacation Vouchers through September 30, 2022

### *Donate to Help a Brother's Family*

### *Steven Patrin*

*December 7, 1985 - April 27, 2022*

Steven was a passionate, intelligent, one-of-a-kind soul who worked hard and wanted to make a difference in the world. He took great pride in his work as an IBEW Journeyman Electrician and went to extremes to do his part to protect the environment. He was also a talented musician, singer and songwriter. Although his life was cut short way too soon, he left behind countless memories we will cherish for the rest of our lives.

You can help make a difference for his family by donating vacation vouchers to them.

Vacation vouchers can be turned in via mail, e-mail, or drop box (outside of Wilson McShane's Office).

You can donate vouchers any time prior to September 1, 2022

Two things need to be included on the donated vouchers:

1. Must be signed by the member
2. Write out "donate to Patrin" anywhere on the voucher

Thank you
